

**Dear Fellow Healthcare Executive,**

**We are a 25-year-old Nationwide Managed IT firm specializing in Orthopedic Groups across the country. We work with Executive Teams like yours to make sure your IT is Strategic in nature, reducing costs while increasing performance and security, allowing you to focus on growing your practice.**

**We are uniquely positioned to help you with your IT needs by providing Clinical PM/EMR Experts, SQL DBAs, Report Writers, Systems Engineers, and Network Engineers who work cooperatively with our Security and Compliance Fabric to ensure that our clients maximize their Clinical Systems.**

- 1. Please feel free to review the documents on this page.** These will give you a little more information about our company's services, the clients we serve, and what makes us different from the majority of Managed Service Providers or IT companies you may have encountered in the past.
- 2. View our client comments and testimonies in the booklet entitled "Client Success Stories."** This will give you a feel for what we do and the types of clients we serve. If you would like to speak directly to any of our clients as a reference, please let me know so I can arrange this for you.

**If you have any questions, please call me directly at 303.908.5444.**

**Dedicated to serving you,**

**Mike McWilliams**
